(PRIVATE BATHROOM, SINGLE OR SHARED BEDROOM)

This residence is bustling with people from all over the world and located in the heart of downtown Montreal, one of the most vibrant, charming and laid-back cities in the world. The residence is close to the most important attractions such as the museum of Fine Arts, the Bell Center, Montreal's shopping district, pubs, cosy cafes, trendy boutiques, discotheques, and good restaurants - all around the corner!

If you're feeling like you want to stay in for the evening, a homy café, located in the hostel basement, doubling as a bar at night, also serves as a breakfast & dinner hall. Free WIFI is accessible anywhere in the building, in addition to private bathrooms in the rooms.

Meet people with the same interests, lifestyles and personal challenges as yourself, as well as participate in our numerous scheduled group activities!

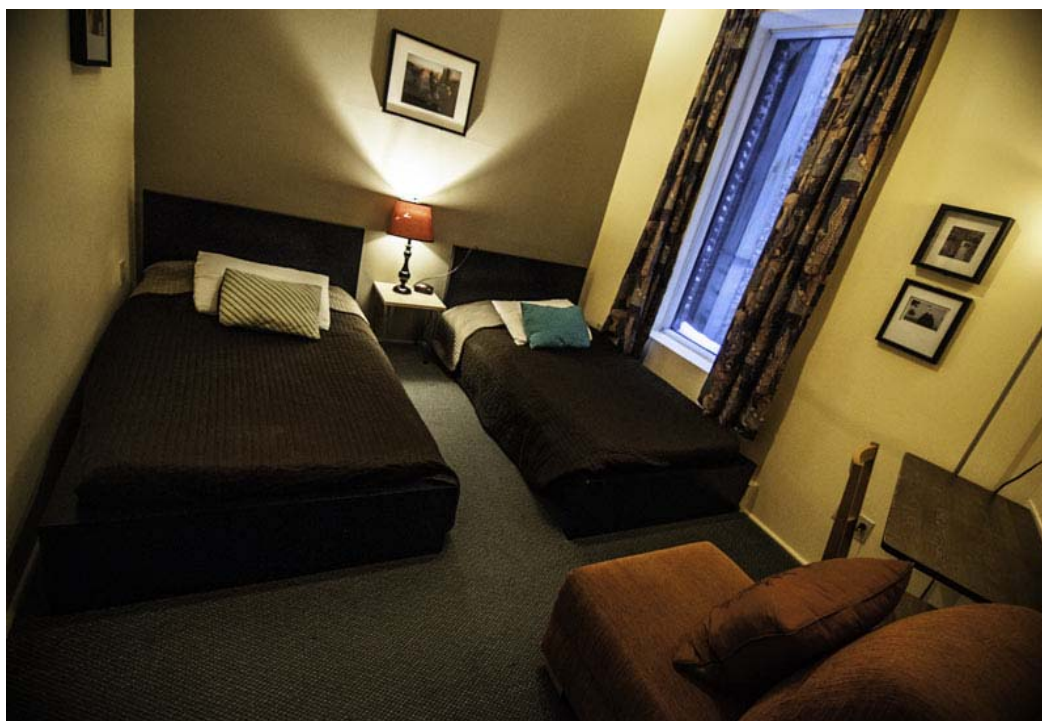

Please note that accommodation requests are chronologically processed; therefore, students who register at the last minute cannot be guaranteed to have all their requests met, especially during peak seasons.
