Our Summer Program:

This program was created to give each ADULT-student a multicultural experience where they can travel, practice and improve their English/French language skills while emerging in the culture of Montreal.

About MIILA

At MIILA we strive to offer students the best educational experience and all the personal attention they deserve. We not only want to meet our student's expectations, we want to exceed them! Each course level is carefully designed to provide optimal learning opportunities, and our knowledgeable and professional teachers will ensure that students achieve their goals and acquire excellent language skills.

MIILA's core programs are English and French as a second language courses.

We keep our groups small to ensure optimal learning opportunities and focused attention, and each class curriculum was carefully designed by our experienced teachers and a team of professionals. Our teachers are all TESL certified and/or have pertinent university degrees. Their comprehensive teaching methods allow for better learning and assimilation of foreign languages, and their effective coaching and mentoring will help to identify your strengths and weaknesses, guiding you towards the successful achievement of your linguistic goals.
